More Time to Reconnect with Family and Friends

Join now to enjoy 15 complimentary nights at Abercrombie & Kent Residence Club homes

DOWNERS GROVE, IL – September 13, 2010... The Abercrombie & Kent Residence Club has issued an invitation to prospective members to enjoy an additional *fifteen complimentary nights* over the next three years, if they join before December 15, 2010. Members of the largest equity-based destination club in the industry have unprecedented access to magnificent private residences in exclusive beach, mountain and golf destinations.

With fifteen additional nights, imagine gathering the family for a barbecue on the terrace of your beachside home, as the sun goes down over the Pacific. Or taking your loved ones to a spacious, yet cozy mountain retreat inspired by the natural beauty of Lake Tahoe. If you long for an oasis infused with the spirit of the Southwest, Scottsdale offers hacienda-style furnishings and awe-inspiring views. When you are an Abercrombie & Kent Residence Club member, these incredible residences are yours to discover.

Members may visit a new destination every time they travel, enjoying all the comforts of home, with none of the maintenance responsibilities of ownership. A dedicated Global Experience Manager handles all the arrangements with an on-site Destination Host to insure a memorable and stress-free holiday.

Members can also trade Club nights towards travel with Abercrombie & Kent, the leader in luxury travel, with trips to over 100 countries on all seven continents. Choose from rafting in North America to adventures in China, African safaris and European villas.

Equally beneficial is the Club's equity membership model. "Most destination clubs are built on a real estate model," explains Club president Scott Wiseman. "The Abercrombie & Kent Residence Club was founded on a fundamentally different, more conservative 'equity' model. The members own the Club and the Club owns the properties, debt-free. Capital contributions are secured by the Club's assets, providing a measure of security and peace of mind from membership backed by hard assets. As owners, members are entitled to a level of financial reporting and transparency that non-equity clubs typically do not offer – from audited financial statements to annual meetings and board participation."
